### Assistance for the aged or disabled

If you are having trouble getting your bins to and from the kerbside, you may be entitled to assistance.

Please call the Waste Hotline 1800 33 55 99 for more information about the help available.

### Do you have a special waste disposal need?

If you have a long term medical condition or another special need, please let us know by writing to the General Manager, Locked Bag 23, Grafton, NSW, 2460.

### Bin ownership

Our contractor JR Richards will supply and maintain all new waste bins. The bins remain the property of JR Richards and must not be removed from the property. Residents are responsible for the care, security and cleaning of the bin.

### For more information and service difficulties

We have a call centre to assist you with your waste management enquiries.

Your enquiries should be directed to:

**Freecall 1800 33 55 99**
