

RED waste bin

As your RED bin won't contain any food scraps or recyclables, it will now only be collected once a fortnight. Now that's good news!

Handy hints for waste avoidance

- Avoid buying overpackaged products
- Buy refillable or returnable products
- Buy products made from recyclable material
- Try to re-use some items (eg. plastic bags, glass jars)

Also, our rules are:

- No heavy bins (max 80kgs)
- Lids must be closed with no material visible
- Bins should be placed out the night before collection
