FOR IMMEDIATE RELEASE

28 AUGUST 2019

## **Get Connected @ Clarence Valley Libraries**

Are you struggling with a mobile phone or thinking about purchasing one that is easier to use? Perhaps you'd like to gain confidence online, access information or keep in touch with family and friends? Clarence Valley Libraries are here to help with our *Get Connected!* program.

Every Tuesday from 1pm-3pm Grafton Library offers drop in sessions with friendly Get Connected staff who can assist you with one-on-one advice and technological support in a relaxed environment. Whether it's a phone function you can't understand, or a problem with email, we can usually help sort it out free of charge.

For those who'd like to gain confidence in an increasingly digital world why not register for one of our free courses on Tuesday mornings? There are over 40 courses to choose from including: how to use a computer, tablet and mobile phone; exploring the internet; using Skype and Facetime; creating an email; and using Facebook and many more. The courses are fun, easy and informal. Learn at your own pace with approachable facilitators who will help you every step of the way.

You can also access Get Connected courses and technological support at Maclean, Iluka and Yamba libraries. Please check with your local branch for specific times.

Grafton – 6641 0100  
Maclean – 6645 3611  
Yamba – 6646 2811  
Iluka – 6646 6542

Our Get Connected courses are sourced from the Be Connected and Tech Savvy Seniors programs. You can also register for all of our Get Connected sessions online at [www.crl.nsw.gov.au/about/events/](http://www.crl.nsw.gov.au/about/events/).
