

Claim for Water Consumption Allowance – 2019 Fires

Council has announced that an allowance will be provided to ratepayers whose properties were affected by the recent fires and are connected to the Clarence Valley Council water supply. The allowance is calculated based on water usage for the quarter during the fire period compared with consumption for the same quarter for the previous year. On completion of this application, if you are eligible for this allowance the credit entitlement will be applied to your account (up to a maximum of \$65.00)

I hereby apply for consideration of an allowance for water consumption on the property owned by me and affected by the 2019 fires.
