## **Opportunity to be the gallery's artist in residence**

A RARE opportunity is being offered for artists to share their skills and knowledge with visitors to the Grafton Regional Gallery.

The gallery is calling for expressions of interest from people interested in being the facility's artist in residence from October 8-November 1, 2018.

The focus for this year's residency is interdisciplinary art practices such as drawing, dance, movement, animation and/ or digital works.

The successful applicant will have the opportunity participate in the 2018 Jacaranda Acquisitive Drawing Award (JADA) opening night.

The gallery aims to provide a supportive environment for artists and curators to pursue their practice. The residency fosters research, new work and collaborations. Serviced accommodation, a stipend payment and studio space at the Grafton Regional Gallery are all provided as part of the residency.

The Artist in Residence Program is made possible throughout the support of Create NSW and Clarence Valley Council.

To apply or find out more about the residency visit the gallery website. The application form is downloadable and submissions are accepted via email or post.

Entries close 4pm Friday 1 June 2018.
