

# YELLOW recycling bin

Hi! I'm Scrapboy and I love recycling.

The new **YELLOW** bin is larger and has no divider, making it easier than ever to recycle all your paper, cardboard, glass bottles and jars and plastic containers!

The boomerang bin!

All your recyclables can go straight in the **YELLOW** bin, no need to sort.

Please check what can and can't be recycled and help us to increase recycling rates in the Clarence!

Our aim is to achieve a 70% recycling rate
