	<p>David Newberry suggested that once the part of Prince will be handed over to council from RMS (on completion of the bridge) to consult with all stakeholders and re-design the street scape to make it more accessible and vibrant.</p> <p>In the meantime Cr Toms and Cr Kingsley to table the option of “nose in parking” at the traffic committee. This will affect Prince Street (CBD in Grafton) and Skinner Street (CBD South Grafton).</p>	Cr Toms and Cr Kingsley
Iluka Parking – Jennifer O’Brien	Work on the parking area of concern is tabled in the capital works plan for 2019/2020.	
DA – Grafton Regional Gallery DA2018/0783	Revised design will come back to the Access Committee.	Scott Lenton
Disability Inclusion Action Plan – Comments	<p>Comment received from Margaret Lawrence: Refer to wide range of disabilities in the plan and not being so restrictive about physical disability.</p> <p>Dave Moran pointed out that the Disability Inclusion Action Plan gives the feeling of “ticking boxes” and compliance but is not written in the “Spirit of Inclusion.” Accessibility for example shouldn’t be an afterthought but inform the design in the first place.</p>	
Disability Access to Maclean Museum	Margaret Lawrence to get a bit more detail from concerned community member. Claudia to contact Tim Hall (Facilities Services)	Claudia Ollenburg
Wireless Audio Systems in Council run buildings	Margaret Lawrence alerted the committee to the fact that the old audio loops in council run buildings may not be compliant with current standards. Claudia Ollenburg lodged a Helpdesk request to check current system details and let the committee know about the outcome.	Claudia Ollenburg
	Business arising	
Accessible Tourism	<p>David Newberry brought a draft brochure to the committee that was done in cooperation with an accessibility specialist. The brochure alerts visitors to anything they need to consider in regards to accessibility when visiting the Clarence Valley.</p> <p>Cr Kingsley welcomed the initiative and pointed out that the accessibility tourism market is very significant and we need to consider providing this kind of advice also in regards to accommodation premises, beach access and much more. A lot of people receiving significant respite packages these days and base their decision on what destination they go to on this kind of information.</p>	
Disability Car Parking in South Grafton	Disability car parking in South Grafton CBD seems to have disappeared after the re-design. Cr Kingsley to check with Traffic Committee.	Cr Kingsley
