STATUTORY ANNUAL REPORT 2020/2021

Section 428(1) – Local Government ACT 1993

1. Delivery Program

2020/2021– s428(1)

& 2 Community Strategic Plan – s428(2)

Section 428(1) of the Local Government Act requires a council to prepare a report each year ‘reporting as to its achievements in implementing its delivery program and the effectiveness of the principal activities undertaken in achieving the objectives at which those principal activities are directed.’

Under the Integrated Planning and Reporting Framework, each council in NSW is required to develop a Community Strategic Plan (CSP), which is a high-level, minimum-10-year strategic document that sets out the goals and aspirations of its community over the longer term. Clarence Valley Council’s CSP is The Clarence 2027, which came into effect in 2017.

This is supported by a four-year Delivery Program and an annual Operational Plan that set out a range of objectives, tasks and projects that will deliver on these goals and aspirations in the medium and short term respectively. The four-year Delivery Program is designed to align with the four-year term of Council.

Due to the COVID-19 pandemic resulting in the postponement of the local government elections twice, the Council term was extended from September 2020 until December 2021. Consequently, the four-year Delivery Program was extended to cover the term of Council. The July 2017 to June 2022 (revised) Delivery Program was adopted by Council in April 2021. The 2020/21 Operational Plan previously adopted by Council in June 2020 remained intact under the extended Delivery Program.

A report on Council’s performance for the 2020/21 financial year against these plans was presented to Council in July 2021. Overall, Council achieved an 87% success rate in the delivery of the actions and projects contained in the 2020/2021 Operational Plan. The actions not completed were hindered by the COVID-19 restrictions. This report is available on Council’s website: www.clarence.nsw.gov.au (Item 6c.21.096).

3. Financial Report – s428(4)(a)

17. Statement of activities to implement its Equal Employment Opportunity (EEO) management plan

- Reg cl 217(1)(a9)

Clarence Valley Council demonstrates its commitment to the principles of Equal Employment Opportunity through its adopted EEO Protocol and EEO Management Plan. These documents are currently under review to ensure all employment practices are based on merit of the individual against the specific requirements.

The revised Management Plan will provide a strategic framework aimed at achieving an equitable and diverse workforce which is representative of the Clarence Valley community and support the leadership theme of the Community Strategic Plan. This will ensure the Clarence Valley Council has a strong, accountable and representative government and an effective and efficient organisation.

Council has achieved the following to ensure equal employment opportunity:

- Implementation of the My Employee Journey Framework, incorporating a full review of policies and procedures to ensure a holistic view of the journey of all employees, and that all human resource processes are robust and transparent and in line with the legislation. This framework provides a commitment to equal opportunity employment.
- Council has started to implement the Local Government Capability Framework, which involves updating all position descriptions. This process will ensure position descriptions are up-to-date and remove any artificial barriers.
- Position advertisements include a standard EEO statement and are written in plain English, free from bias.

- There are 13 positions on Council's organisation structure (including one trainee position) designated as First Nations People identified positions. In addition to those identified positions, Council has engaged several employees from First Nations backgrounds through the open recruitment process.

A total of 25 employees identify as First Nations. During 2020/2021, Council engaged one First Nations person as a trainee under the Arts Ready School Based Trainee Program. The Aboriginal Employment Strategy seeks to have approximately 5% (or 24 positions) representation of First Nations People in the Council workforce. This strategy is being reviewed in the 2021/22 financial year.

- Council's Workforce Management Strategy 2017/2018 - 2020/2021 addresses workforce challenges faced by Clarence Valley Council. In particular, issues associated with creating a diverse workforce and responding to an ageing workforce is discussed. Council employs staff across a range of age groups with the majority of the workforce in the 51 to 60 (28.85%) age group. Council's workforce is comprised of 69% male and 31% female employees.

The associated action plan identifies workplace diversity as a key area of focus. In an effort to increase access from a mixture of candidates, Council's online recruitment process allows for a diverse range of applicants from across the globe to apply for positions with Council. Our Workforce Management Strategy will be reviewed in the 2021/2022 financial year to ensure robust strategies continue to be put in place to support employment equity and diversity principles.

- All Council staff participated in face-to-face Code of Conduct training which will continue to be supported with online training. All new staff to Council complete this online training as part of their induction.

23. Report on Capital Works Projects – Capital Expenditure Guidelines

The Office of Local Government has issued guidelines (in 2010) that apply to capital projects for infrastructure facilities, including renovations and extensions that are expected to cost in excess of 10% of Council’s annual ordinary rate revenue or \$1 million, whichever is the greater (GST exclusive).

In addition to the minimum requirements for a capital expenditure review, a council is also required to complete additional requirements in cases where a project’s cost is forecast to exceed \$10 million (GST exclusive).

The guidelines do not apply to:

- capital expenditure on land purchases, land remediation, water supply networks, sewerage networks, stormwater drainage, domestic waste management facilities, roads, footpaths, bridges;
- projects where funding has been approved under the Public Reserves Management Fund Act 1987;
- projects that are classified as public-private partnerships; and
- project designs and feasibility studies that do not commit council to the project (the costs of such studies are to be included if Council subsequently proceeds with the project).

During 2020/2021, no capital projects were above the threshold identified in the Capital Expenditure Guidelines.

24. Carers Recognition Act – S8(2)

Compliance with the NSW Carers (Recognition) Act, 2010

HR Policies to support carers: Council has a Flexible Working Arrangements policy to support staff and to provide flexibility in handling work and family responsibilities.

Employees are encouraged to speak with their direct supervisor in the first instance regarding their personal circumstances and the requirement for flexible working arrangements.

All employees are eligible for Carer’s Leave and the Sick, Carers, Health and Wellbeing Leave Protocol was updated and adopted in October 2018 to meet all Award and legal requirements.

Council has an Employee Assistance Program for all staff to access and its use is encouraged through the regular communication. Staff can access this service for personal reasons in complete privacy.

Partners and carers are also eligible to use this service. Staff are encouraged to contact Care & Support Services for any information about services that may be required in their caring role.

25. Disability Inclusion Action Plan – s13(1)

Compliance with the Disability Inclusion Act, 2014

The Council's 2017-2021 Disability Inclusion Action plan (DIPA) provides a guide to how Council will meet its responsibilities in regard to people with disability and the NSW Disability Inclusion Act 2014.

Council has an Access Committee that meets once a month. This committee comprises two Councillors and nine community members (including an Occupational Therapist and a guide dog Orientation and Mobility Specialist). Some meetings have been postponed due to COVID-19 restrictions.

The committee has had influence over:

- feedback on draft planning documents for projects including the Grafton Bridge Project;
- the lobbying of Rotary Yamba to install a bench seat at a taxi pick-up and drop off area in Yamba;
- drafting of mobility maps; and
- advocating for safer pedestrian crossings.

See below for recent projects, current actions and future plans for the four key focus areas in the Council's DIPA:

Positive community attitudes and behaviours:

- All Council programs promote and support the inclusion of people with disability.
- Vibrant Places – Environment, Development & Strategic Planning, Access Committee and Community Development staff have consulted businesses about revitalising the main streetscape by ensuring accessibility for all.
- Free Accessibility workshops for businesses were held during NSW Small Business Month, as part of the Access at a Glance program – promoting using window signage and stickers to immediately indicate if a place or space is accessible.
- Access and inclusion planning and delivery is included in the planning of events.

Creating liveable communities:

- A public toilet strategy has been completed, with a signage review to be undertaken.

A draft public amenities strategy has been completed to go on exhibition in 2020/2021. Reviews of all public toilet conditions have also been undertaken.

- New accessible parking spaces to be installed in the new Grafton Bridge carpark at the instigation of Council.
- The gallery is wheelchair accessible and its staff are proactive in presenting and supporting program opportunities for people with disability. All libraries are wheelchair accessible and programs and events are presented and developed with inclusion and access for all in mind.

- Jacaranda Park and Alex Bell Park have been updated to include all-access play. The wheelspin at Jacaranda Park accommodates wheelchairs and allows several the opportunity to play side-by-side, providing the liberating experience of dynamic movement.

- As part of planning, approval and legal requirements, all new or refurbished commercial buildings are compliant with disabled access requirements.

- Pippi Beach and Wooli Beach now have improved all-access areas.

- MLAK keys are given to residents free of charge.

- Accessible toilets remain unlocked throughout the day, with access after-hours available via use of the MLAK.

- Council maintains a network of accessible toilets.

- Council is continuing the process of expanding the shared pathway network.

- Ongoing audits of pathways and public toilet infrastructure.

Access to meaningful employment:

- Council reviewed all policies and procedures in 2019/20 to ensure they promote an equal employment opportunity workplace (EEO). In 2020/21 Council continued with this review to ensure all internal documents from the People and Culture Team were up-to-date and promote EEO. Council is working on updating the Workforce Diversity and Inclusion framework to ensure ongoing opportunities for people with disabilities.

- Advertising of all positions encourages all members of our community to apply.

- Workspace and access considerations are reviewed as needed.

- Council redeveloped the main office building in 2020/21 to be accessible for the whole of community. The new design includes a lift.

Improve access to systems and processes:

- Council updated their website in 2020/21 to ensure an all-access environment.

- All Council meetings in 2020/21 were broadcast live online.

Planning and development of the 2021/2025 Disability Inclusion Action Plan is underway.

Council continues to engage the community to ensure the priorities are current and relevant into the future.

29. Government Information (Public Access) Act 2009 and Regulation 2018 (GIPA)

Information included on GIPA activity – s125(1) cl 7 schedule 2

Under Section 125(1) of the Act, each agency must, within four months after the end of each reporting year, prepare an annual report on the agency's obligations under this Act for submission to the Minister responsible for the agency. A copy of the report is to be provided to the Information Commissioner.

Under paragraph 7 of the Government Information (Public Access) Regulation 2009 the annual report must include:

(a) details of the review carried out by the agency under section 7 (3) of the Act during the reporting year and the details of any information made publicly available by the agency as a result of the review, Section 7 (3), provides that, an agency must, at intervals of not more than 12 months, review its program for the release of government information under this section to identify the kinds of government information held by the agency that should in the public interest be made publicly available and that can be made publicly available without imposing unreasonable additional costs on the agency.

(b) the total number of access applications received by the agency during the reporting year (including withdrawn applications but not including invalid applications)

(c) The total number of access applications received by the agency during the reporting year that the agency refused, either wholly or partly, because the application was for the disclosure of information referred to in Schedule 1 to the Act (Information for which there is conclusive presumption of overriding public interest against disclosure),

Note: Table D in Schedule 2 also requires information relating to access applications in respect of which there is a conclusive presumption of overriding public interest against disclosure.

(d) Information, as set out in the form required by the tables in Schedule 2, relating to the access applications (if any) made to the agency during the reporting year.

OTHER REPORTING

31. Management of complaints against Council

A complaint is defined as an expression of dissatisfaction with Council’s policies, procedures, employees or quality of service.

Any items raised as part of a public consultation process or concern for service levels that are the result of limits set by Council Policy are not regarded as complaints, but rather a customer request.

A request for a service or for information about a service is not a complaint.

The following table summarises the complaints received each year, with data from past years shown for comparison:

Year	B/fwd. from previous year	Previous year complaints finalised in period	Current Year 1 July to 30 June	Current Year		Incomplete as at 30 June
				Completed within policy timeline*	Completed outside policy timeline*	
2019/2021	0	0	17	13	0	4
2019/2020	0	0	10	10	0	0
2018/2019	0	0	9	9	0	0
2017/2018	0	0	10	7	3	0

*Policy provides for the complaint to be responded to within 21 calendar days after it is received. If it is not possible to respond substantially to a complaint within that time, the designated officer is to forward an acknowledgement letter to the complainant within that time period advising that the complaint is being investigated and that a response will be forwarded within a further 28 days

32. Privacy Management Plan

Information on the number of complaints made under Council’s privacy management plan

Whilst not a statutory requirement, Council’s Privacy Management Plan provides that Council must report on the number of reviews and complaints received in its Annual Report to demonstrate accountability and transparency.

In 2020/2021 there was one privacy complaint against Council, which was resolved through the framework and reporting procedures provided by the NSW Ombudsman.
